## Education

### University of California, San Diego
B.S. Human-Computer Interaction
*June 2020*

## Work Experience

### University of California, San Diego
Instructional Apprentice - DSGN 100: Prototyping
*March - June 2020*

Teach students about the fundamentals of UX Design, from information hierarchy to prototyping methods. Lead class critique sessions and discussions. Mentor students throughout projects.

### UCSD Student Health Services
Graphic Designer
*September 2018 - June 2020*

Perform a variety of design tasks from start to final production, ensuring thorough communication with stakeholders throughout. Identify, learn, and share about emerging technologies and trends in media and design.

### UCSD oSTEM
Visual Designer
*January - November 2018*

Utilized software to create unique visuals to attract potential members and promote LGBTQIA+ representation in STEM, doubling member base from previous years as a result. Sought feedback from team throughout design process to achieve product satisfaction.

## Leadership

### MedLife
Publicity & Media Director
*July - December 2018*

Produced designs to advertise organizational events on social media platforms, garnering three times more turnout than previous years.
